

TAGA[®]
HARMONY

inMOVE series

To fit any room and bring you plenty of joy!

inMOVE 8

Our Home Theatre 5.1 packs combine compact sized satellites and a center speaker with a choice of high-power active subwoofers. They are dedicated to those fans of high-end sound who wish their systems physically "disappear" in a room.

Thanks to compact dimensions our systems allow easy placement and hiding speakers around a room. Surely the sound will not be hidden – your neighbors and you would be able to hear and feel it!

inMOVE 5.0 Bass / Midrange driver

The **TPAIC (Taga Pure Aluminum Injection-molded Chassis)** bass / midrange driver.
The **TAVS (Taga Air Ventilation System)** helps dispersing internal heat to provide even higher long-term power handling.
